

CPV QR code

Print and cut out the QR code below and display it in your vehicle.

Your QR code must:

- Be displayed at or above seat level
- Be within reach of passengers in the back seat
- Measure at least 9cm x 9cm in size
- Be ST Vic's approved design
- Be in good usable condition – not damaged or obstructed
- Be accessible for passengers using wheelchairs.

The QR code must remain in place whenever the vehicle is providing CPV services.

Failure to meet this requirement may result in a fine amounting to 1 penalty unit.
